## *Pet Memorials*

### FOR BELOVED FRIENDS

*We love our pets and consider them members of our family.*

*We celebrate our pets' birthdays, confide in our animals and carry pictures of them in our wallets. So when a beloved pet dies it's not unusual to feel overwhelmed by the intensity of your sorrow. We provide a variety of pet memorials and finish work options. Simply choose your favorite photo and memorial and we'll take care of the rest.*
